YOUR VILLA. YOUR WAY.

Villa Bliss with Guest House takes everything buyers love about Villa Bliss (the open great room, the generous terrace and the private pool at the heart of the home) and adds a separate one-bedroom guest house, all on a larger lot.

Your guests get their own space. So do you. The guest house sits just off the terrace, with its own bedroom and private bathroom. When family and friends come to stay, they have their own door, their own space and their own schedule. Your mornings, your routines and your privacy stay exactly as they are.

Price includes the lot, villa, landscaping, swimming pool, and service building.
